## Almost 10 years as a supplier

Hi

It's been a year since we sent a news email so I wanted you to know we're still here, manufacturing promotional merchandise in the UK made from textiles.

I've made [britishmadepromotionalmerchandise.co.uk](http://britishmadepromotionalmerchandise.co.uk) live so you can see most of the products we manufacture for inspiration.

We have a new database so if you have new colleagues that you think should be on our news emails, please can you ask them to subscribe on our home page or forward this email to them.

Thanks for your time and I look forward to hearing from you soon.

Mike
