

Steve Signs for SPS

SPS are happy to announce that Steve Bodgers is joining the company on the sales development side of the business. Steve will be responsible for dealing with both key and developing accounts, as well as getting involved in other parts of the sales process.

Roman Sucharzewski stated 'We are pleased that Steve has agreed to join us, and we believe he will add his great industry knowledge to developing our customer relationships further'.

Steve Bodgers added 'I am looking forward to joining the SPS team at Blackpool who are really striving to impress. My excitement is only matched by the opportunity to carry on doing business with the customers and friends that I have worked with over the years. Working with SPS will mean that I can be a part of a winning team once again.'

Steve will join SPS in January 2010.
